EDUCATION

Bachelor of Technology | Panimalar Engineering College | 7.52 CGPA — Jun 2021- Jul 2025

Higher Secondary Certificate | Bhaktavatsalam Vidyashram | 70.2 percentage — May 2021

Secondary School Certificate | Ordnance Clothing School | 76.8 percentage — Jun 2019

TECHNICAL SKILLS

C++ → Memory Management, Pointers, OOPS, DSA, Graphics Software (Direct X, Vulkan)

BLENDER → 3D Mesh and Texture Artist, Low Polygon Topology, Animation

THREE.JS → 3D Mesh Rendering, Scene Management, Lighting and Animation

ANGULAR → Basis of Website building in Angular, Directives, Routing, Integrating three.js

UNREAL → Basic Animation and Prototyping, Asset & Render Optimization

SDLC → Agile Model, Waterfall Model, RAD Model, Spiral Model

PROJECTS

- **Hand script to Digital Conversion** → Project involving OCR technology to identify and convert hand script to digital characters. Contributed in enhancing the OCR technology using Structural Pattern Classification in Deep Learning Algorithm.

- **Wireless IoT Controller Application** → Application to control IoT device via wireless made using Java for Medical device that checks mineral volumes in blood.

INTERNSHIP

Cyber-Security Trainee — Jun 2023

- Intern at Pantech Technologies as a Cyber-Security trainee, maintaining network fraud cases during academic vacation.

CERTIFICATIONS

- Augmented Reality from TCS-Ion →Scoring Grade A Overall Assignments, blending real world with virtual products using Unreal.
- Data Science from NASSCOM → Certification on Data Science, Bronze Level Completion.
